

BRAINER SCHOOLS

MISSION

To provide quality education, building a strong and solid foundation incorporating a holistic program that includes opportunities for social, emotional, physical and educational development.

VISION

To provide a safe, happy, caring, secure and stimulating environment for your child.

To enable all children to develop their capabilities as successful learners, confident individuals, responsible citizens and effective contributors to society.

VALUES

As educators, we value and nurture our children, ensuring that our core values are at the heart of what we do.

Which are

1. Respect

- Self-respect
- Amongst each other
- To your elders

2. Honesty

- Uprightness, always being truthful.

3. Accountability

- In everything you do, be at home, at school or in the society, be accountable!
